

# VISIONS

in the nunnery

## Open call for moving image artists

We are now accepting applications from moving image artists to apply to our international open submission event. This year promises to be a larger and more exciting event than ever before.

Visions in the Nunnery is an annual event that showcases some of the most exciting British and International artists who are pushing the elements of film, video and moving image practice. It is also an opportunity for artists and audiences to engage with contemporary moving image work both visually and through critical debate at our forums and talks.
